Dear Current and Future Little League Sponsors,

The Reno American Little League Board of Directors thank you for your support of our league through your sponsorship of a snack bar menu item.

Our snack bar menu program is a new part of our fundraising efforts. By purchasing an item on the snack bar menu, your contribution benefits the children in the league and exposes your business to families in Northwest Reno. The snack bar menu will have your name printed after the item you choose and the menu is placed at several locations at the snack bar during the spring and fall seasons, ensuring exposure to thousands of local residents.

The level of donations range from \$25 to \$350. If you are a donor that would like to remain anonymous, donations can be made toward purchases of items such as napkins, cups, lids, etc, items that are essential for the snack bar operations.

Please use the attached form to specify your level of support for Reno American Little League. Please specify exactly how you would like your name to appear after the menu item. (up to 35 characters and spaces on most items).

Like all little league organizations, Reno American Little League is a non-profit entity and contributions are tax deductible. All money raised assists our local league in providing the best and safest playing environment for the kids. All improvements are organized and done by the RALL Board of Directors, coaches, families and friends of the league. In recent years, we were able to install field lights, sod, scoreboards and a flagpole at Terrace Sports Complex. Advertising and direct contributions are greatly appreciated by the kids, families, coaches and board of directors of Reno American East and West Little League.
